MERINO & POLL MERINO STUD

60 Rams on offer

150 grade rams available after the sale

Rams tested August 15, 2019 by Chad Wool Ltd Laserscan Testing.

Very proud to present this top of the drop draft of rams for our on-property sale. They are showing great structure and will certainly uphold our philosophy of breeding sheep which are heavy-cutters filling the bales with soft-handling wool for both ourselves and our clients. Don't hesitate to contact us if we can be of any assistance.
