SPEAKERS**

Towalba's classer Chris Bowman: Ram selection  
Wool buyer Scott Carmody: What wool buyers want  
Luke Harrison: Nutrition for wool cut

**Hamilton 1** – Tag No: Brown M21299, Sire: Towalba Malcolm, DAM: Towalba Poll, Micron: 18.6, SD: 3.1, CV: 16.7, CF: 99.6%, S/F: 17.5, DOB: May 2018

**Comment:** An elite, stylish, medium wool type boasting a bright white staple. A well-covered ram with a weighty wool.

**Hamilton 2** – Tag No: White M21290, Sire: White River AI, DAM: Towalba Poll, Micron: 19.8, SD: 3.3, CV: 16.7, CF: 99.6%, S/F: 18.6 DOB: May 2018

**Comment:** A ram carrying an abundance of silky, well-nourished wool with great barrel and depth of body.

**Hamilton 3** – Tag No: White M21001, Sire: White River AI, DAM: Towalba Poll, Micron: 21.5, SD: 3.5, CV: 16.3, CF: 98.5%, S/F: 20.2, DOB: May 2018

**Comment:** This ram is a bright white, locky medium/strong wool type. A heavy-cutting, upstanding, correct ram.

**Hamilton 4** – Tag No: Orange M21291, Sire: Towalba TS, DAM: Towalba SS, Micron: 19.3, SD: 3.1, CV: 16.1, CF: 99.4%, S/F: 18.1, DOB: May 2018

**Comment:** This large-framed, well-structured ram has a great outlook and would suit any wool producer looking to increase wool cut.

**Hamilton 5** – Tag No: Red M21285, Sire: Towalba Syn, DAM: Towalba Maiden, Micron: 20.5, SD: 4.8, CV: 20.4, CF: 95.8%, S/F: 20.4, DOB: May 2018

**Comment:** A true Towalba wool type, this ram is a heavy cutter with a long staple and will be a real bale filler.

**Dubbo 1** – Tag No: Pink 639 – A20322, Sire: Towalba Green, DAM: Towalba Moore, Micron: 18.1, SD: 3.0, CV: 16.6, CF: 99.7%, S/F: 17.0, DOB: May 2017

**Comment:** A big-boned ram with an outstanding frame carrying a white, nourished fine/medium wool.

**Dubbo 2** – Tag No: Green 239 – A20323, Sire: Towalba Green, DAM: Towalba Poll, Micron: 19.2, SD: 2.9, CV: 15.1, CF: 99.6%, S/F: 17.9, DOB: May 2017

**Comment:** This ram immediately makes a statement with his massive hindquarter and depth of body. He stands very square and is well covered with a white, soft-handling, well-nourished elite medium/strong wool.

**Dubbo 3** – Tag No: Purple 1059 – A20318 HB 7.59, Sire: Towalba 5.3, DAM: Towalba Yellow, Micron: 20.0, SD: 3.3, CV: 16.5, CF: 98.7%, S/F: 18.8, DOB: August 2017

**Comment:** A well-structured ram with a gutsy, heavy-cutting bold medium/strong wool. This outstanding ram will breed true to the Towalba type renowned for their heavy cutting ability.

# 2018 DUBBO NATIONAL MERINO SHEEP SHOW & RAM SALE

Towalba Merino Stud sold four rams at last year's Dubbo National Merino Ram Sale including the champion strong wool sale ram for \$15,000 which was the top-priced ram of the sale and the reserve champion poll sale ram for \$10,000.

**Pictured are Towalba stud principal Warick Kopp with Towalba classer Chris Bowman.**

## **Growing Together Creating Futures**

– Warick, Neville and Cameron Kopp are full of confidence for the future of the wool and sheep industry and are committed to producing rams which are bale fillers for their clients.

Towalba is well known for breeding some of the nation's heaviest-cutting, soft-handling sheep and you can rely on the integrity and repeatability of Towalba genetics.
